Everest Discount Plan

There are many people that do not have Dental insurance. At Everest Dental, we wanted to make sure that we can help all of our patients by making dentistry affordable and simple. We created the Everest Discount Plan, which is an In-House discount program. This is not an insurance policy. Our In-House plan is a great value with emphasis on preventative treatment and offers discount on all services for a low annual fee. With our discount plan our patients will save money and more importantly, have better oral health by having consistent dental care. We welcome you to join our dental family. Please choose one. **The Discount plan is good for one year from the date you sign up. Please note that there will be no refund on the Discount Plan or any unused services.
